**DECLARATION IN SUPPORT OF PETITION
FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNAVOIDABLY UNDER 37 CFR 1.137 (a)**

Charles E. Baxley, Attorney of Record in the above referenced United States Patent Application, (hereinafter sometimes referred to as the "Attorney") being warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statement may jeopardize validity of the Application and a resulting Patent, declares that:

I hereby certify that this correspondence is being deposited with the United States Postal Service as First-Class Mail in an envelope addressed to: Mail Stop Petition -Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on the date indicated below:

1. Because all things required by the Patent Act, Patent Rules and orders and instructions of the Examiner were fully and timely carried out and delivered to the Patent and Trademark Office, it is requested respectfully that no fee be changed for this revival. Stated differently, the abandonment actually was innocent, not even unavoidable - - resulting solely from a typographical mistake in the serial number by a usually very competent secretary who perhaps was distracted.

2. The Attorney is properly authorize to execute the Petition for Revival and this Declaration on behalf of Applicant, and all statements in the Petition and herein of his own knowledge are true and all statements made on information and belief are believed to be true.

3. A Restriction from Patent Examiner Rodney B. WHITE of Art Unit 3636 issued from PTO in this Application on August 16, 2004. The Attorney was instructed on August 26, 2004 to respond to USPTO by filing an Election in response to the Restriction. Enclosed herewith is a copy of a self-explanatory letter herein dated August 26, 2004 from a Taiwanese firm, Taycon marked Exhibit "001."

4. On August 27th the Attorney forwarded to PTO an Election fully responsive to the open Restriction. A copy of the Election with a copy of a forwarding postcard is enclosed herewith. Note that the cover sheet and Election had an incorrect Serial No. "10/661,026" instead of - - 10/662,026 - -. The Election and related documents are designated Exhibit "002."

5. The Attorney received a telephone call from Examiner WHITE on March 3, 2005 inquiring if the Application had been abandoned intentionally. Thereupon the Attorney forwarded to the Examiner on March 3, 2005 a full copy of his transmittal to PTO of August 27, 2004, but again the serial number in the March 3, 2005 transmittal was wrong. A copy of the

March 3, 2005 transmittal to USPTO with related documents are enclosed herewith designated Exhibit "003."

6. The entire delay and fiasco in filing the required Election to the August 16, 2004 Restriction was a result of the serial number of the Application having been mistyped as "10/661,026" instead of - - 10/662,026 - - and copied over again from a series of last document, instead of from an official document. It was not until the Attorney received a Notice of Abandonment that the Attorney became aware of the mistake.

7. The purpose of the present Petition is to correct the mistake and revive the Application which should now qualify for revival and examination on its merits by virtue of the Election and Petition.

8. The attorney regrets very much that the mistake was made, he and the secretary regret that the Examiner was put to trouble and the client's rights were put in jeopardy.
